Devaluation Change	\$ (110,855,127)		\$ 0.87	\$ 1.68
New Growth/Annexation	\$ 29,937,290	\$ 133,477	N/A	N/A ***
1% Increase		\$ 79,720	\$ 4.03	\$ 7.81
2% Increase		\$ 159,440	\$ 8.05	\$ 15.63
3% Increase		\$ 239,159	\$ 12.08	\$ 23.44

\*All figures are estimates based on numbers provided by County. County has not sent final L-2 figures for filing yet.

\*\*Homeowner's exemption has automatically been calculated into resulting tax effect figure, resulting in a lower net taxable value for homeowner.

\*\*\*New Growth/Annexation amount will actually lead to a very small decrease in levy due to the fact the levy was lower in prior year and therefore, creates a small savings in amount billed.
