	P17 - 12TH (SPOKANE - IDAHO)
	P18 - COMPTON (MULLAN - 12TH)

2) When considering the importance of individual projects against limited funding availability, what three (3) criteria do you consider the most important for project prioritization?

- Providing connection from residential areas to the City Center
- Providing connection from residential areas to schools or school routes
- Providing connections to parks or existing bicycle trails
- Providing connections between existing neighborhoods
- Addresses existing safety concerns
- Complete gaps between existing bicycle or pedestrian facilities
- Bicycle trails (separated from the existing roadway)
- Bicycle lanes (on the existing roadways)
- Sidewalks
- School zones
- Recreational use
- Commuting (to / from place of business)

2) Add projects that you feel should be added to the bicycle or pedestrian project priority list below:

Street: \_\_\_\_\_ from: \_\_\_\_\_ to: \_\_\_\_\_

reasons:

- Provides connection to City Center
- Provides connection to schools or school routes
- Provides connections to parks or existing bicycle trails
- Addresses a safety concern
- Other / or additional comments
