FAQ's

How do I schedule an inspection?

The Building Division has a dedicated inspection request line 208-292-1201 to leave a voicemail. You can also call the office at 208-773-8708, or come by 408 N Spokane Street. Online inspection requests is another option via the City's website www.postfallsidaho.org

Can I get an inspection the same day I request it?

Inspections need to be requested 24 hours in advance.

How do I know what time the inspector will do the inspection?

Call the inspector by 9am the day of the inspection to find out where you are on the schedule

How long do I have before I have to have an inspection?

180 days
