# Post Falls Community Garden

## What is a Community Garden?

A piece of land gardened by a group of people

- Community Gardens are large and small
- They are urban, suburban and rural
- They can be one community plot or small individual plots

# Do you want to have a garden?

- but you don't have garden space?
- or you don't know how to grow a garden?
- The Post Falls Parks & Recreation Dept. Community Garden program may be for you.

**Learn from other gardeners**

**Teach your children where their food comes from**

- Learn to grow your own vegetables
- Give your children a lifelong skill
- Meet other gardeners
- Share your experience
- Young and old – gardening brings them all together
