

Councilor Skip Hissong Seat 5

Term: 1/12-12/15

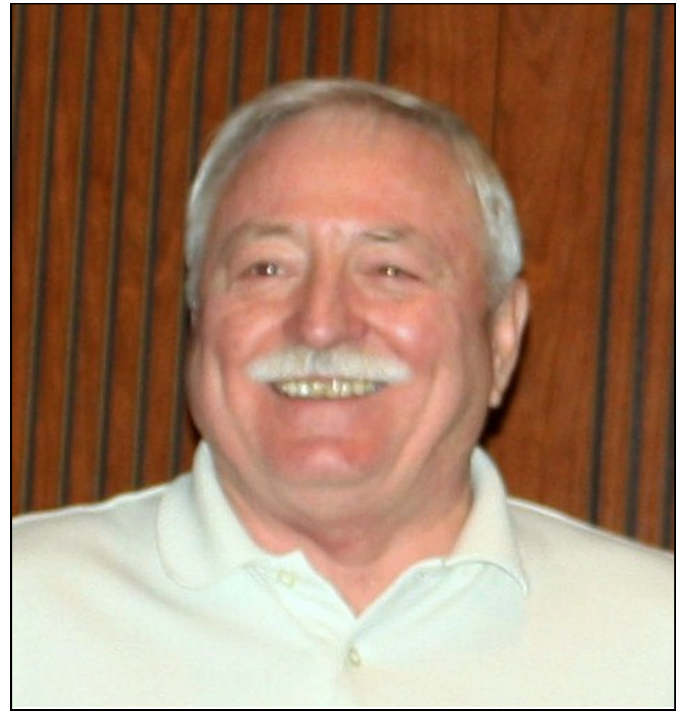

"I think something good will come out of the struggles the city and the economy are now facing. Learning to do make do with less funds now will serve us well when the economy turns around, because we will know how to operate government in a lean fashion and apply the money to other areas where it needed."

Skip Hissong was elected to council Seat 5 and is currently serving his third term on the council, returning after he served one term on the City Council in 1992.

One of his priority projects while on the Council was the Smartcode. His current goal is for the city to survive intact in the downturn in the economy.

A local businessman, Skip owns Summit Equipment Manufacturing. He served in the U.S. Marine Corps. And attended Oregon Technical Institute.

Skip moved to Post Falls in 1972 from Kalispell, MT. He and his wife Jody have been married for 19 years and have six children, 10 grandchildren and one great-grandson.
