

## **Adopt-A-Street Program**

July 2007. The Adopt-A-Street Program has been established for community and civic organizations, as well as private businesses and industry, to contribute toward the effort of maintaining cleaner and more scenic city streets.

Adopt-A-Street is a roadside litter pick-up program where the Participants pick up and place the litter in City provided litter bags; and the Street Department will remove the bags and properly dispose of them.

The Participants area of litter will be approximately one mile of street that will be marked with an Adopt-A-Street sign with the Participants name on it. The Participants are asked to pick up litter at least four times a year.

Anyone interested in making Post Falls a more beautiful place, and adopting a street of their own, can contact Jim Porter at the City of Post Falls Street Department, at 773-1722, [jporter@postfallsidaho.org](mailto:jporter@postfallsidaho.org) or Kathy Rosia, at 773-1722, [krosia@postfallsidaho.org](mailto:krosia@postfallsidaho.org) .
