

Parks & Recreation Department

408 Spokane St. Post Falls, ID 83854 208-773-0539

Dear Business/Organizations:

The Post Falls Parks & Recreation Department offers a wide range of opportunities for your business or organizations to become a vital part of our community. Our department provides successful and positive youth sports programs for our children ranging from ages 4-14. We also offer a host of special events, tournaments, scholarships and assistance with specialized needs programs.

Here is your chance to provide support to a variety of events sponsored by the Post Falls Recreation Department. When you choose to sponsor one of our youth sports, you fulfill many children's dreams for recreational sports. Your tax-deductible sponsorship provides the youth of Post Falls and the surrounding communities with very affordable, fun and safe programs. For \$150.00 your company will provide T-shirts with your company logo on them and training for coaches and officials.

Our office also provides other areas for sponsorships such as the Sprint Triathlon, Running Shoes & Brews, Lighting of the Plaza and our free movie night in the park (in conjunction with Post Falls Festival). The sponsor of these events will be recognized in promotion material, advertisements and any promotional items that we provide.

In addition to the above mentioned events, we offer one-day events such as Arbor Day, Plant-A-Tree Day, Post Falls Festival (music sponsors), and Winterfest. Events such as these involve the Post Falls and surrounding communities. These programs are held at no cost to the public and provide a great sense of community involvement. These events require funding for trees, musical entertainment and refreshments that draw the community in. Acknowledging your business is done on all promotional material, banners and on all PSA's.

One program that is utilized is our youth scholarship program. The funds received help children of low-income families participate in a number of activities offered by our department. We also take pride in supporting Specialized Needs Recreation activities through donations and sponsorships.

As you can see we offer many ways for your business or organization to contribute to our wonderful community. Know that we provide positive, affordable, fun and safe programs for all ages and events that bring not only our community together but the surrounding communities too!

On the back of this letter you will find a sponsorship form with our various youth sports and other events. Please take some time to look over the form and either complete the form with the events that you want to sponsor and return it to our office, or if you have any questions please call me at (208) 773-0539.

Thank you for your continued support and remember that the benefits of recreation activities at Post Falls Parks & Recreation are endless.

Sincerely,

Jill H. McDowell
Recreation Coordinator
