On April 15, 2020, Idaho Governor Brad Little issued an updated Stay at Home Order. In his order, Governor Little is limiting out-of-state travelers' activities in Idaho. In short, non-residents coming to Idaho must self-quarantine in Idaho for 14 days after coming into the State. (This does not apply to those performing essential services or those who live in one state and work or gain essential services in another state.)

The Post Falls Police Department is providing you with this information to prevent and/or limit the potential spread of the Covid-19 virus. Governor Little's Order is in effect through April 30, 2020. For additional information, please visit www.coronavirus.idaho.gov.

Stay safe and stay healthy.
