16th Annual Post Falls Tree Giveaway

Post Falls is celebrating Arbor Day this year with the 16th annual Post Falls Tree Giveaway. Arbor Day is a great way to highlight the benefits of trees, and planting trees in the midst of the built environment is a perfect way to bring a bit of nature into people's everyday lives. To help with that, the event partners have gotten together to provide trees for those who will plant them.

This year's Tree Giveaway will be a drive-thru style event, happening April 8-9th and 12-14th at the Q'emiln Park Boat Launch. Residents must register online in advance for their tree species and pick up time at www.postfallsidaho.org.

The tree and shrub selection includes eleven different varieties. To see the detailed list of available trees and shrubs visit the City's website at www.postfallsidaho.org.

Over 30 thousand trees have been given away at this annual event over the years with the help and generosity of local volunteer groups and event sponsors. Major sponsors for the tree giveaway are J-U-B Engineers, Inc., Philip Wirth, North Idaho Title, and Smith & Malek Law Firm. Contributing sponsors are: Northland Nursery, Super 1 Foods, Post Falls Lions Club, Boy Scouts of America, Cannon Hill Industries, Idaho Master Gardeners, Walter E. Nelson Co., Avista and 4-H.
