

Post Falls Cable Franchise Information

The City of Post Falls franchises cable services with Time Warner Communications. A link to the franchise agreement is provided below. Federal Communications Commission laws and regulations provide oversight of the cable industry. Local government regulation is limited to franchise compliance of local cable television. The City plays an important role in advocating for residents of our community.

City Cable 13 is operated by the City of Post Falls. Questions regarding City Cable 13 should be directed to the [Media Center](#).

To contact Time Warner or the City regarding cable questions see contact information to the right. Before contacting the City regarding problems with your cable please see the section "Cable Problems?" in the right column.

Franchise Agreement

Time Warner and Comcast Merger

Comcast is seeking to buy Time Warner Cable for \$45 billion to combine the two largest cable providers in the US. The merger must be approved by the FCC and the Justice Dept. Currently it is under review.
